Blue Mountains

Jenn Grant

From the mountains
I heard you call
So I went running to collect them all
The gifts you showed me,
All your best parts
When I got there all I saw wasBlue Mountains
For the heart of me
And a highway where
You must be driving since
You last saw me
Over my heart, over these hills you'll goOver my heart, over these hills you'll goIf you're running for the hills why don't you
Find a place for us
To dance slow
By the light I'll say I love you
We'll be hanging there right under
Blue Mountains
For the heart of me
And a highway where you must be driving Since you last saw meOver my heart, over these hills you'll goOver my heart, over these hills you'll go
