

Missing You

Snow

Standing here looking out my window
My nights are long and my days are cold
'Cause I don't have you, how can I be so damn demanding?
I know you said that it's over now but I can't let go
Every day I want to pick up the phone and tell you that
You're everything I need and more, if only I could find you
Like a cold summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you
Driving 'round thought I saw you pass me
My rear view mirror's playing tricks on me
'Cause you fade away, maybe I'm just hallucinating
'Cause my loneliness got the best of me and my heart's so weak
Every day I want to pick up the phone and tell
you that
You're everything I need and more, if only I could find you
Like a cold summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you
Like a cold summer afternoon, cold summer day
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
baby, baby
I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you
see baby, I'm missing you
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Said I'm, I'm missing you, like a cold summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you
Like a cold summer afternoon, baby
Like the snow coming down in June
Like a wedding without a groom
I'm missing you, I'm missing you
I'm the desert without the sand

You're the woman without a man
I'm the ring without a hand
I'm missing you Like a cold summer afternoon, like a cold
Like the snow coming down in June
Like a wedding without a groom
I'm missing you I'm the desert without the sand
You're the woman without a man, I can't sing no more
I'm the ring without a hand, I can't sing no more, baby
I'm missing you Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
