I Thee Wed

Jay McGee

I feel like Iâ€™m almost bursting with pride
The day has finally come
Our holy union with God has begun.
To honor and cherish
â€˜til death do us part
Promise to love and obey
Joining as one weâ€™re making the start with Blessings on our wedding day

I thee wed
Wear this ring on your finger and deep in your heart
I thee wed
I thee wed
I am yours and youâ€™re mine
from this day for all time
I thee wed

The preacher will join our hands
Never to be separated again
And as we both say I do
Weâ€™ll open the door on a life thatâ€™s brand new
With god on our side
There is no way we can loose
Keeping him in all that we do.
And in this world of uncertainty
You can always count on me.

I thee wed
Wear this ring on your finger and deep in your heart
I thee wed
I thee wed
I am yours and youâ€™re mine
From this day for all time
I thee wed

And what God has put together, let no man put asunder.

With god on our side
There is no way we can loose
Keeping him in all that we do.
And in this world of uncertainty

You can always count on me.

I thee wed
Wear this ring on your finger and deep in your heart
I thee wed
I thee wed
I am yours and youâ€™re mine
From this day for all time
I thee wed
