

Weenie Beenie

Foo Fighters

I'm molasses hung in rent
Read a sponsor one shot no post-show
Tear it off, but not a lot, it's not enough to debate
As if you blame real and stagnate
Big shit no shit Tear it off, but not a lot, only so much you can take
Some try that hit beast and mud lead
Big shit no shit Tear it off, but not a lot, only so much you can take
Tear it off, but not a lot, it's not enough to debate
Big shit no duh Right?
One shot nothing
