Tougher Than Tough (Rudie In Court)

Derrick Morgan

Rudies in court, now boys, rudies in court
Rudies in court, now boys, rudies in courtOrder, now, this court is in session
And I order all you rude boys to stand
You're brought here [Incomprehensible]Now tell me, rude boys
What have you to say for yourselves ?
Your honor, rudies don't fearRudies don't fear, no boys, rudies don't fear
Rudies don't fear, no boys, rudies don't fearRougher than rough, tougher than tough
Strong like lion, we are ironRudies don't fear, no boys, rudies don't fear
Rudies don't fear, no boys, rudies don't fearRudies don't fear, no boys, rudies don't fear
Rudies don't fear, no boys, rudies don't fearRougher than rough, tougher than tough
Strong like lion, we are ironRudies not free yet, boys, rudies not free
Rudies not free yet, boys, rudies not freeCourt adjourn
