

# Like Autumn

## Sleeping At Last

Oh, God, when I ask you

"Why do you love me?"

I will try to understand

The silence that whispers reason.I can never comprehend

Your love.Like Autumn,

Sorrows change

And hush the sea to sleep.

Then I cry...Because I am weaker than anyone.

I am weaker.

I fall.I can never comprehend

Your love.Like Autumn,

Sorrows change

And hush the sea to sleep.

Then I cry...Because I am weaker than anyone.

I am weaker.

I fall.I'm so cold without you.

Words cannot explain.

Words cannot explain.I'm so cold without you.
