

American Made

The Oak Ridge Boys

Seems everything I buy these days
Has got a foreign name
From the kind of car I drive
To my video game
I got a NIKKON camera
A Sony color TV
But the one that I love is from the U.S.A.
And standing next to me.

My baby is American Made
Born and bred in the U.S.A.
From her silky long hair to her sexy long legs
My baby is American Made.

She looks good in her tight blue jeans
She bought in Mexico
And she loves wearing French perfume
Everywhere we go
But when it comes to the lovin' part
One thing is true
My baby's genuine U.S.A.
Red, White, & Blue

My baby is American Made
Born and bred in the U.S.A.
From her silky long hair to her sexy long legs
My baby is American Made.
