Down The Road

Adam Gregory

I see your tears
I hear your words
Girl, I feel how much this hurts
I know you can't, see it now,
But I promise you, somehowits gonna be beautiful
Its gonna be easy
Its gonna be magic
Its gonna be healing
There's a place you're meant to be,
But its somewhere
Down the road from meI ask god, "what do I do?"
"what's the best way I can love you?"
He said, "son, you gotta set her free,
'cause I have a way,
That she has just gotta see."its gonna be beautiful
Its gonna be easy
Its gonna be magic
Its gonna be healing
There is a place you're meant to be
But its somewhere
Down the road from me
