Ordinary

Ricky Dillon

Chillinâ€™ on the West side playin my song
Got the Kia Soul with my cheap shades on
Gonna run right through the night
Jump off the gate, fall to the ground
It donâ€™t matter still hittinâ€™ this town
Oh it never felt so right

Tonight weâ€™re running
Around the boulevard,
I couldnâ€™t know I couldnâ€™t ask for more

So sick and tired of staying up to see the break of dawn
Everybodyâ€™s takinâ€™ shots â€˜til theyâ€™re passed out on the lawn

Broken hearts and styrofoam and empty double cups
I guess Iâ€™m Ordinary
Cause I donâ€™t give a what
I donâ€™t give a what (x5)

Chillinâ€™ on the sofa, with a tank top
Supercalifragilistic
Down to my socks
Let it go right to my head
TV screen, Mario Kart, everybody knows that I get a head start
And itâ€™s never left unsaid

Tonight weâ€™re running
Around the boulevard,
I couldnâ€™t know i couldnâ€™t ask for more

So sick and tired of staying up to see the break of dawn
Everybodyâ€™s takinâ€™ shots â€˜til theyâ€™re passed out on the lawn

Broken hearts and styrofoam and empty double cups
I guess Iâ€™m Ordinary
Cause I donâ€™t give a what
I donâ€™t give a what (x5)

(Instrumental)

So sick and tired of staying up to see the break of dawn
Everybodyâ€™s takinâ€™ shots â€˜til theyâ€™re passed out on the lawn

Broken hearts and styrofoam and empty double cups
I guess Iâ€™m Ordinary
Cause I donâ€™t give a what
I donâ€™t give a what (x2)

Broken hearts and styrofoam and empty double cups
I guess Iâ€™m Ordinary
Cause I donâ€™t give a what
