Rain

Goombay Dance Band

Dust and wind and heat
Since 14 days in the murdering
Sun of the sierra nevadaNo rain
no water
no food -
We are prisoners in the melting
Pot of hell - oh god
help us!
Rain
rain
rain -
Sierra nevada
sierra nevada
sierra nevada.
We're standing here and give our lives in your handFor just one drop of rain we beg you to send.
Why don't you hear our prayerShould it be all over now?
No longer we can stayNot more that we can say -
The monetoneous storm only blows.
Rain
rain
rain - sierra nevada
sierra nevadaRain
rain
rain - sierra nevada
sierra nevadaRain
rain
rain -
Sierra nevada
sierra nevada
sierra nevada
sierra nevada.
The night is cold
a million stars in the skyThe fire we sit all around will surely dieThe hopes and the dreams will finally been gone with the winc
Another day of fear
another night of tears -
I close my eyes and start to dream.
Rain
rain

rain -
Sierra nevada
sierra nevada
. . .
Rain
rain
rain - . . .
