

A Few Good Men (Album Version)

Dropkick Murphys

It's time we stood up for ourselves so get up off your knees.
We'll shake off our detractors and attain our hopes and dreams
and if we fall prey to in-fighting, we're never gonna win,
so put aside your differences, sing loud, sing proud We won't listen to their stories or be waylaid by their lies
it's a dram that's still attainable for kids like you and I
So if we all stand together singing one defiant song
our voice will reach the heavens, so sing with all your heart Join us in a song
we shall rise and sing stand up and be counted
sing a song for liberty join us in this song
together we shall sing rise up and be counted
sing it loud, sing it proud We've been brutalized and crucified, the brunt of their attacks,
is corruption not their trademark and compassion what they lack?
If we can realize our common goals,
the end of which is plain united and now stronger,
their loss is now our gain!
