

Risk It (Acoustic)

Jessica Mauboy

Ain't no love gon' come your way when you play like that
You can try to hold them back, but it don't work like that
No, you don't know the first about those feelings
Until you let them all come crushing down
So, don't forget now, everybody's hurting sometimes
Everybody's hurting sometimes
You gotta risk it all, risk it all
So, don't forget now, everybody's crying sometimes
Everybody's crying sometimes
You gotta risk it all
That's what it takes to know, to feel love
Yeah, that's what it takes
Hey, you gotta risk it all
You gotta risk it all, risk it all, risk it
You don't know what you don't know when you're good like that
You can get the love you want when you get like that
And you don't get the one without the other
Keep digging through the pain to find a lover
So, don't forget now, everybody's hurting sometimes
Everybody's hurting sometimes
You gotta risk it all, risk it all
So, don't forget now, everybody's crying sometimes
Everybody's crying sometimes
You gotta risk it all
That's what it takes to know, to feel love
Yeah, that's what it takes
Hey, you gotta risk it all
You gotta risk it all, risk it all, risk it
Yeah, you gotta risk it all, risk it all, risk it
You gotta risk it all
Everybody's hurting sometimes,
Everybody's hurting sometimes
You gotta risk it all, risk it all
So, don't forget now, everybody's crying sometimes,
Everybody's crying sometimes
You gotta risk it all
That's what it takes to know, to feel love
Baby, yeah, that's what it takes
That's what it takes, that's what it takes
You gotta risk it all, risk it all, risk it
