Tricky Tricky

RÃ¶yksopp

Six afraid of seven 'cause seven, eight, nine
I'm about to lose it the second time
Staring at the wall hour after hour
Running up and down over and over

It's a tricky, tricky, this little one, two
Well, if it is a lunatic we'll name it after you
Put it in your pocket and pick it up
We're here to entertain, show them what you've got

Six afraid of seven 'cause seven, eight, nine
I'm afraid of losing the pieces I find
If I was created equal is this what I get?
A bunch of stories to interpret

Ready to rock it like rock 'n' roll
You are the flower in glittering gold
Sleeping in the palm, the palm of my hand
They show you who to follow, it looks like a man

Six afraid of seven 'cause seven, eight, nine
I'm about to lose it the second time
Staring at the wall hour after hour
Running up and down over and over

Ready to rock it like rock 'n' roll
You are the flower in glittering gold
Sleeping in the palm, the palm of my hand
They show you who to follow, it looks like a man

It's a tricky, tricky, this little one, two
Well, if it is a lunatic we'll name it after you
Put it in your pocket and pick it up
We're here to entertain, show them what you've got

Ready to rock it like rock 'n' roll
You are the flower in glittering gold
Sleeping in the palm, the palm of my hand
They show you who to follow, it looks like a man
It looks like a man
