You Know You Should

The Faders

You're so cool and you know it
'Cause you know everything
I'm pretty hot and I know it
And I know it
You should be givin' in

'Cause this ain't rocket science, it's A B C

If you don't love me
Baby, you know you should
If you don't want me
Baby, you know you should
I wish you would
Oh yeah, oh yeah, oh yeah
You know I'm good
I'm real good
Oh yeah, oh yeah, oh yeah
You know you should
You know you should

Don't be a fool
You'll regret it
You ain't seen nothing yet
What do you want?
I don't get it
I'll spell it out again

I W-A-N-T-you
Right here right now

If you don't love me
Baby, you know you should
If you don't want me
Baby, you know you should
I wish you would
If you don't want me
If you don't need me
If you don't love me
You know you should

You know you should

Time's running out
Better let me know
Should I stick around
Or should I go?
Oh oh oh, oh oh oh

If you don't love me
Baby, you know you should
If you don't want me
Baby, you know you should
I wish you would
Oh yeah, oh yeah, oh yeah
You know I'm good
I'm real good
Oh yeah, oh yeah,oh yeah
You know you should

If you don't love me
Baby, you know you should
If you don't want me
Baby, you know you should
I wish you would
Oh yeah, oh yeah, oh yeah
You know I'm good
I'm real good
Oh yeah, oh yeah,oh yeah
You know you should
You know you should

If you don't want me
If you don't need me
If you don't love me
You know you should
You know you should
