

Note to God

JoJo

If I wrote a note to God
I would speak what's in my soul
I'd ask for all the hate to be swept away
And for love to overflow
If I wrote a note to God
I'd pour my heart out on each page
I'd ask for wars to end
And for peace to mend this world
I'd say, I'd say, I'd say Give us the strength to make it through
Help us find love 'coz love is overdue
And it looks like we haven't got a clue
Need some help from You Grant us the faith to carry on
Give us hope when it seems all hope is gone
'Coz it seems like so much is goin' wrong
On this road we're on
If I wrote a note to God
I would say what on my mind
I'd ask for wisdom to let compassion rule
This world until these times
If I wrote a note to God
I'd say please help us find our way
End all the bitterness, put some tenderness
In our hearts
And I'd say, I'd say, I'd say Give us the strength to make it through
Help us find love 'coz love is overdue
And it looks like we haven't got a clue
Need some help from You Grant us the faith to carry on
Give us hope when it seems all hope is gone
'Coz it seems like so much is goin' wrong
On this road we're on
No, no, no, no
We can't do it on our own
So, so Give us the strength to make it through
Help us find love 'coz love is overdue
And it looks like we haven't got a clue
Need some help from You Grant us the faith to carry on
Give us hope when it seems all hope is gone
'Coz it seems like so much is goin' wrong
On this road we're on
If I wrote a note to God
