

# King Of Sabotage

Ferras

Congratulations, you've done it again  
You're unbelievable, undefeatable, the number one, you're the champion  
You're a genius, a superstar, when those castle walls begin to fall  
You crown yourself the king of sabotage I want to love you, but I can't  
Cause I don't know, if I can forgive you  
For all those stupid things you said  
And all your empty promises (Hey) When life is beautiful  
(Hey) Baby you destroy it all  
You think you don't deserve it  
When everything is perfect  
The original king of sabotage  
You're no good anymore  
(Hey) When you should be wonderful  
Baby was it worth it  
When the curtain closes  
A round of applause  
For the king of sabotage Apologies on the tip of your tongue  
There's no strategy to remedy  
Can't you see the damage you have done, oh I want to love you, but I can't  
Cause I don't know, if I can forgive you  
For all those stupid things you said  
And all your empty promises (Hey) When life is beautiful  
(Hey) Baby you destroy it all  
You think you don't deserve it  
When everything is perfect  
The original king of sabotage  
You're no good anymore  
(Hey) When you should be wonderful  
Baby was it worth it  
When the curtain closes  
A round of applause  
For the king of sabotage You were built to self destruct  
You fucked it up  
I tried to love you, but I can't  
'Cause I don't know, if I can forgive you (Hey) When life is beautiful  
(Hey) Baby you destroy it all  
You think you don't deserve it  
When everything is perfect  
The original king of sabotage

You're no good anymore  
(Hey) When you should be wonderful  
Baby was it worth it  
When the curtain closes  
A round of applause  
For the king of sabotage
