

# Sorry

[Keshia ChantÃ©](#)

Why you keep telling me that,  
You ain't never coming back, that's too hard to take,  
Can you at least hear me out first?  
Though you think that I'm the worst, I made a mistake  
I never thought I made you feel I didn't care,  
I know that I have hurt you, but you leaving just ain't fair  
Here is my apology

I'm sorry, for ever thinking of myself  
Forgive me don't want you loving no one else  
Stay with me don't want to feel the way you felt  
Oh no, no, no, no  
I'm sorry, for ever thinking of myself  
Forgive me, don't want you loving no one else  
Stay with me, don't want to feel the way you felt  
Oh no, no, no, no,

Your like nothing that I've had before, I love your name  
I have let you down and baby I'm the one to blame  
This letter that I've written isn't something that I do  
That's why you must believe, that I'm still in love with you  
This is my apology

I can't think right  
My days seem night  
Cause it's so cold  
And baby I know that  
Me alone ain't good  
I said, me alone ain't good  
I can't see straight  
Please heal my fate  
Don't run away  
I need you to stay cause  
Me alone ain't good  
I said, me alone ain't good

Boy, I'm sorry, for ever thinking of myself  
Forgive me, don't want you loving no one else  
Stay with me, don't want to feel the way you felt  
Oh no no, no, no, no, no, no

I'm sorry, for ever thinking of myself  
Forgive me, don't want you loving no one else  
Stay with me, don't want to feel the way you felt  
Oh no no, no,no,no,no
