Innocent Man

Default

you don't know it all
I've gotcha figured out
So proud
walkin tall
it's whach your all about
whach you are is whach you make
don't know how to give and take
blame it all on someone else
everyone except yourself
one step forward
not seems to get you no where
sink you faster
and you know you'll want to save the day
so you'll grab on the reins
and run in circles
your gonna crash and
drag the world down with you
only one thing remains
hey man be aware
now....seem to day
....he dont care
I'll.....anyway
you can run but you cant hide
from the guilt u built inside
.....won't forget
never will get over it
thinking backwards
how the hell did this get started
drowning faster
down you go
you wanna save the day
so you'll grab on the reins
and run in circles
you're gonna crash and
drag the world down with you
only one thing remains
you wanna save the day
so you'll grab on the reins
and run in circles

you're gonna crash and
drag the world down with you
only one thing remains
