

Sin

Stone Temple Pilots

Holy water clouds my thinking
Sinking low now keep on drinking Down you go, suffer long
Down you go, sin make me strong
Down you go, suffer long
Down you go, sin make me strong You control me, soul you stole, mine
Wishful thinking six feet under Down you go, suffer long
Down you go, sin make me strong
Down you go, suffer long
Down you go, sin make me strong So feel what were my eyes
Sink into the holes in my eyes
My sins have made me blind
Sink into the holes in my eyes Dead by dreaming, sleep you steal, mine
Pools of cold sweat hatred burns me Down you go, suffer long
Down you go, sin make me strong
Down you go, suffer long
Down you go, sin make me strong Still shackled to the shadow, still shackled to the shadow
That followed you
Still shackled to the shadow, still shackled to the shadow
That followed
Still shackled to the shadow, still shackled to the shadow
That followed you, followed you
