Tears In the Rain

Triumph

Advisory - the following lyrics contain explicit language:

We passed the point of no return
How can we make amends?
All alone, I watch the candle burn
Burnin' at both ends
Nothin's ever gonna change
Can tears wash away this pain?Tears in the rain
Here it comes again
I'll never know the reason why
I cry these tears in the rainThe time has come to make a stand
We've waited much too long
Nobody's gonna lead us by the hand
How could we be so wrong?
We lost the chance to play this game
Tears wash away this painTears in the rain
Here it comes again
I'll never know the reason why
I cry these tears in the rainSo many times, I've wondered why
We still play this gameTears in the rain
Here it comes again
I'll never know the reason why
I cry these tears in the rainTears in the rain
Here it comes again
Oh, I'll never know the reason why
I cry these tears in the rainTears in the rain
Tears in the rain
Tears in the rain
Tears in the rain
