

Two Bodies

Flight Facilities

(feat. Emma Louise)

Just two bodies
Just two bodies

I've been so ready to dim my mind

Come over or not, I've
Been so ready to dim my mind
Your body a drug, for mine
Two bodies moving in
Time and space to try and heal me
I know what I want, so come over and

Hold me, I won't ask for anything more
I'm hurting, use now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me

You're closed, you're a book. No lines
Can't read you if I try
And if that's the way you want it
That's fine I'll just close my eyes and
Try to ignore you, a free ride for you to

Just two bodies
Just two bodies

Hold me, I won't ask for anything more
I'm hurting, use now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me

Hold me, I won't ask for anything more
I'm hurting, use now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me

Hold me, I won't ask for anything more
I'm hurting, use now when I'm vulnerable

It helps me fake some love for a little while
I know what I want, so take advantage of me
