

Silent Night, Holy Night

Frank Sinatra

Silent night! Holy night!
All's asleep, one sole light,
Just the faithful and holy pair,
Lovely boy-child with curly hair,
Sleep in heavenly peace! Silent night! Holy night!
God's Son laughs, o how bright.
Love from your holy lips shines clear,
As the dawn of salvation draws near,
Jesus, Lord, with your birth! Silent night! Holy night!
Brought the world peace tonight,
From the heavens' golden height
Shows the grace of His holy might
Jesus, as man on this earth! Silent night! holy night!
Where today all the might
Of His fatherly love us graced
And then Jesus, as brother embraced.
All the peoples on earth! Silent night! Holy night!
Long we hoped that He might,
As our Lord, free us of wrath,
Since times of our fathers He hath
Promised to spare all mankind! Silent night! Holy night!
Shepherds first see the sight.
Told by angelic Hallelujah,
Sounding everywhere, both near and far:
"Christ the Savior is here!"
