

Every Little Thing I Do (Re-Recorded)

Soul for Real

You are on my mind
You are on my mind Every little thing I do you're on my mind
The way I feel lately, it's driving me crazy
Every little thing I do you're on my mind
I can't get over you, I think about you all the time Can't you see what you do to me
I think about you all the time
My mind is hazy and I'm mixed up feeling crazy over you
Let's not waste anytime Every little thing I do you're on my mind
The way I feel lately, it's driving me crazy
Every little thing I do you're on my mind
I can't get over you, I think about you all the time Round and round I go, where I'll stop only you know
I guess it's all in my mind
Take your time think it over let me know
What you wanna do, baby it's so good Every little thing I do you're on my mind
The way I feel lately, it's driving me crazy
Every little thing I do you're on my mind
I can't get over you, I think about you all the time Every little thing I do you're on my mind
You're on my mind, hey
Every little thing I do you're on my mind
You're on my mind Every little thing I do you're on my mind
You're on my mind
Every little thing I do you're on my mind
You're on my mind, hey Every little thing I do you're on my mind
The way I feel lately, it's driving me crazy
Every little thing I do you're on my mind
I can't get over you, I think about you all the time Every little thing I do you're on my mind
The way I feel lately, it's driving me crazy
Every little thing I do you're on my mind
I can't get over you, I think about you all the time Every little thing I do you're on my mind
The way I feel lately, it's driving me crazy
Every little thing I do you're on my mind
I can't get over you, I think about you all the time The way I feel lately, it's driving me crazy
Every little thing I do you're on my mind
You're on my mind, hey
Every little thing I do you're on my mind
You're on my mind, hey Every little thing I do you're on my mind
You're on my mind, hey
Every little thing I do you're on my mind
You're on my mind, hey Every little thing I do you're on my mind

You're on my mind, hey
Every little thing I do you're on my mind
You're on my mind, hey
Every little thing I do you're on my mind
