

Get It Started (feat. Shakira)

Pitbull

To these rappers I apologize, I know it ain't fair
Only ball I drop, New Year's Times Square
The world is mine, sixth sense, I see a seventh sense
Now baby, let's get started for life

Everytime I look into your eyes
I feel like I could stare in them for a lifetime
We can get started for life (tonight)
For life (tonight) for life (tonight)
We can get started for life (tonight)
For life (tonight) for life (tonight)
We can get started

(You know it feels right)

Big news, Pitbull, time cruise Mumbai
A little bit of semi night like the fourth July, Vanilla Sky
Thriller in Manila, knocking them out like paquiao
No Ali no Frasier, but for now it's off to Malaysia
Two passports, three cities, two countries, one day
Now that's worldwide, if you think it's a game, let's play,
Dale

Everytime I look into your eyes
I feel like I could stare in them for a lifetime
We can get started for life (tonight)
For life (tonight) for life (tonight)
We can get started for life (tonight)
For life (tonight) for life (tonight)
We can get started

(You know it feels right)

I am what they thought I'd never become
I believe and became it
Now I'm here to claim it
A hustle when he faint you name it, name it
I went from eviction to full stance
To back at work Wendy
To a passport full it with stamps

Now it's Bowie everywhere I land
Two passports, three cities, two countries, one day
Now that's worldwide, if you think it's a game, let's play
Dale

Hands if it feels right (you know it feels right)
But shouldn't waste anymore time
Let's get it started (let's get it started)
Don't think about it (let's get it started)
You know I'm gonna make it all night, all night (let's go)
Hands if I feels right
You know a feel of my mind
Let's get it started (let's get it started)
Don't think about it (let's get it started)
I know that we can make it all night, all night

Everytime I look into your eyes
I feel like I could stare in them for a lifetime
We can get started for life (tonight)
For life (tonight) for life (tonight)
We can get started for life (tonight)
For life (tonight) for life (tonight)
We can get started

(Don't start what you can't finish)
(You know it feels right)
(Let's go)
(You know it feels right)
