

# Gangsta Boogie

## Love Stink

Ladies and Gentlemen, y'all ain't ready[Cee-Lo]  
Well alright y'all I expect some action tonight y'all  
Enter and surrender, don't you fight y'all  
I'm colorblind and others rhyme in black and white y'all  
It's interestin how the instruments excite y'all  
To rise up, open your eyes up  
Salvage enough soul and live your lives up  
Now look ma, no fear  
and she smile cuz she proud, but she really doesn't need ta[Jack]  
Watch them flip when the real shit sell,  
we got a dance called the Be Yourself[Cee-Lo]  
A Good grove is always good news,  
Now gimme five on em,  
Shit I survive on em  
And my cup runneth over so no need to be greedy  
Oh believe me sweetie, I got enough to feed the needy  
Got to give em Optimisim  
But I won't stop from spittin  
All types of rhythm  
And I'm not forgettin  
Those locked in prison  
They can lock you in em  
But not the wisdom[Jack]  
Watch them flip when the real shit sell,  
we got a dance called the be yourself  
...  
Watch them flip when the real shit sell,  
we got a dance called the Be YourselfGangsta Boogie (x14)Ladies and gentlemen - Cee-Lo Green[Cee-Lo]  
(Oh, Can you dig that? Pretty cool huh?)  
And it can heal, You just can't stand steal  
Just hearin this is like an outerbody experience  
And I'll uplift you  
Now you got to give to  
For all days man always be with you  
The power to move  
The power to improve  
Express and expand, encourage the next man  
To do the same  
Give everyone your view of the game

If this goes no further than you to blame[Jack]  
Watch them flip when the real shit sell,  
we got a dance called the Be Yourself[Cee-Lo]  
And of course  
It's a soul sonic force  
The awesome and actual, supernatural  
Grab ya, gradual  
You a natural  
Linen and Loafers, I do it fashionable  
I'm the Lord of the Dance with the Sword of Balance  
I strike, resemble them now or never  
Wow, together it's bound to be better than ever,  
if she wants to live, let her.[Jack]Watch them flip when the real shit sell,  
we got a dance called the Be Yourself  
...  
Watch them flip when the real shit sell,  
we got a dance called the Be YourselfGangsta Boogie (x14)Watch them flip when the real shit sell,  
we got a dance called the Be Yourself[Jack]  
Break it down!  
Yeah Do it again Come on with it (x3)  
Get free, Get free!
