

I Believe

Tom Jones

I believe for every drop of rain that falls A flower grows, Someone will come to show the way, I believe that somewhere in the darkest night A candle glows, I believe for everyone who goes astray, I believe, I believe. I believe above the storm a smallest prayer Will still be heard, Every time I hear a newborn baby cry, Hears every word, Or touch a leaf, r see the sky, I believe that someone in the great somewhere Then I know why, I believe. Every time I hear a newborn baby cry, Or touch a leaf, r see the sky, Then I know why, I believe.
