Ask Me Why

The Beatles

I love you, 'cause you tell me things I want to know.
And it's true that it really only goes to show,
That I know,
That I, I, I, I should never, never, never be blue.

Now you're mine, my happiness still makes me cry.
And in time, you'll understand the reason why,
If I cry,
It's not because I'm sad, but you're the only love that I've ever had.

I can't believe it's happened to me
I can't conceive of any more misery.

Ask me why, I'll say I love you,
And I'm always thinking of you.

I love you, 'cause you tell me things I want to know.
And it's true that it really only goes to show,
That I know,

That I, I, I, I should never, never, never be blue.

Ask me why, I'll say I love you,
And I'm always thinking of you.

I can't believe it's happened to me.
I can't conceive of any more misery.

Ask me why, I'll say I love you,
And I'm always thinking of you.
