Act Appalled (Linden House Demo)

Circa Survive

will you walk straight
im not like them
to fool them in
make it seem like you're in trouble
make a sound
fake it enough
what made you so scared?
maybe you're mistaken for someone who caresif you remember (remember)
I've been trying to get back to the center
I'm sure
it's not like it was beforeto make them drink
tell 'em that it's only water
no one leaves til we figure this out
what made you so scared?
maybe you're mistaken for someone who caresif you remember (remember)
I've been trying to get back to the center
I'm sure
it's not like it was beforepatience, both we and our words are over produced by an influenceI'm only asking
if you remember (remember)
I've been trying to get back to the center
I'm sure
it's not like it was
