

Help

Sonny Okosun

Who will please lift me up
So I can stand, not to fall
Give me your hand, so I stand
I need your help, your help

Who will please teach me a song
So I can live a life of fun
Give me your hand, so I'll stand
I need your help, your help
Oooh please

Who will please common now
So I can see what I can do
Give me your hand, your hand
I need your help, your help
Ooooh please.

Give me your hand, so I'll stand
I need your help, your help
Oooh please.

You need it's gonna be alright
So common now, aah! aah!! aah!!!

Repeat
