Consequence

Strapping Young Lad

Human Mind, Human Soul...
I love you... I love you...
Fight! Fight! Fight! Fight!
Human WeaknessNo... no one
No pride at allI see devastation and I'm ready to BURN!
My skin is infected
Quiet now, Quiet now... Quiet HumanI love you... I love you...Fight! Fight! Fight! Fight!
No pride at all
No... no oneI am Temptation... your Saviour
You FailNow your Soul dies...
You won't survive
Nothing will ever survive...
Filling the void with nothingnessAll rise... Satan steals you away
Hate Springs eternal
I see devastation and I'm ready to BURN!And I never...
My skin is infected
There's no releaseNever...
