## Strapping Young Lad

Human Mind, Human Soul...  
I love you... I love you...  
Fight! Fight! Fight! Fight!  
Human WeaknessNo... no one  
No pride at allI see devastation and I'm ready to BURN!  
My skin is infected  
Quiet now, Quiet now... Quiet HumanI love you... I love you...Fight! Fight! Fight! Fight!  
No pride at all  
No... no oneI am Temptation... your Saviour  
You FailNow your Soul dies...  
You won't survive  
Nothing will ever survive...  
Filling the void with nothingnessAll rise... Satan steals you away  
Hate Springs eternal  
I see devastation and I'm ready to BURN!And I never...  
My skin is infected  
There's no releaseNever...
