

# You're Full Of Shit (Hidden Track)

## Dope

There's something about the way you walk  
There's something about the way you bitch and you nag  
And you talk, yeah you talk too much There's something about you that makes me  
Gotta get away, gotta get away yeah, yeah  
There's something about you that makes me think  
You're full of shit that's right There's something about the way you smile, yeah  
There's something about your dip shit stupid, dumb fuck style There's something about you that makes me  
Gotta get away, gotta get away yeah yeah  
There's something about you that makes me think  
You're full of shit that's right! Go fuck yourself! There's something about you that makes me  
Gotta get away, gotta get away yeah, yeah There's something about you that makes me think  
You're full of shit! You're full of shit!  
Lemme hear ya  
You're so full, full of shit that's right You're so full, full of shit  
You're so full, full of shit  
You're so full, full of shit
