Dogs On a Doe

Spin Doctors

Riches and roads bring brigands hither
Riches and roads bring brigands bold
Brigands deck their ears with hoops of silver
Brigands diz' their ears with hoops of goldThreshes make a broom to sweep up threshes
Straws can make a broom to sweep up straw
Spilt milk makes a pool for drowning fishes
Lovers make a virtue of a flawAngels above, devils below
Flies on honey
Dogs on a doe
Dogs on a doeSouth wind sues the seer with songs of mildness
North wind sues the seer with songs of ice
Kings can make a war to sue for sugar
Queens can make a war but to sue for spiteAngels above, devils below
Flies on honey
Dogs on a doeRiches and roads bring brigands hither
Riches and roads bring brigands bold
Brigands deck their ears with hoops of silver
Brigands diz' their ears with hoops of goldThreshes make a broom to sweep up threshes
Straws can make a broom to sweep up straw
Spilt milk makes a pool for drowning fishes
Lovers make a virtue of a flawAngels above, devils below
Flies on honeyAngels above, devils below
Flies on honey
Dogs on a doe
Dogs on a doeDogs on a doe
Yeah, dogs on a doe
