

# Kingdom Come

## David Bowie

Well I walked in the pouring rain  
And I heard a voice that cries "It's all in vain"  
The voice of doom was shining in my room  
I just need one day somewhere far away  
Lord, I just need one day Well, I've been breaking these rocks  
And cutting this hay  
Yes, I'll be breaking these rocks  
It was my price to pay Oh, the river's so muddy, but it may come clear  
And I know too well what's keeping me here  
I'm just the slave of a burning ray  
Oh, give me the night, I can't take another sight  
Please, please give me the night Been breaking this rocks  
And cutting this hay  
Yes, I'll be breaking these rocks  
What's my price to pay? Sun keeps beating down on me, wall's a mile high  
Up in the tower they're watching me, hoping I'm gonna die (I won't be breaking no rocks)  
I won't be breaking no rocks  
(I won't be breaking no rocks)  
I said, I won't be breaking no rocks  
(I won't be breaking no rocks)  
Will pardon them (I won't be breaking no rocks)  
Oh-oh-oh-oh  
(I won't be breaking no rocks)  
(I won't be breaking no rocks)  
When the kingdom comes  
When the kingdom comes  
When the kingdom comes  
When the kingdom comes, when the kingdom comes  
When the kingdom comes  
When the kingdom comes  
When the kingdom comes
