## **Get It On Tonite**

## **Montell Jordan**

When I'm looking at you I keep thinking Why can't she be like you, so I'm scheming

I can't go on like this

Believing that her love is true, ohStanding on the dance floor while she's trickin'

You are all I want girl, she's a chicken

We might be together, but love is missing

Girl I want you, so what can we do, ohGirl if it's alright

Let's go somewhere and get it on tonight

I've got a girl but you look good tonight

It's one on one tonight, tonightGirl if it's alright

Let's go somewhere and get it on tonight

You shouldn't have to be alone tonight

It's one on one tonight, tonightNow she's looking at me, but keep talking

Oh, now she's trying to ice you, let's start walking

Over on the dance floor

It's her fault but what can she do?

Tell me baby, yeahGirl if you're ready

(I'm ready)

We can get it on

(We can get it on)

I know where I went wrong

(She's where you went wrong)

With you is where I belong, belong Girl if I could find the words to say

I gotta get away from a love

That kills me everyday

I'd gladly say to youGirl if it's alright

Let's go somewhere and get it on tonight

I've got a girl but you look good tonight

It's one on one tonight, tonightGirl if it's alright

Let's go somewhere and get it on tonight

You shouldn't have to be alone tonight

It's one on one tonight, tonightGirl if it's alright

Let's go somewhere and get it on tonight

I've got a girl but you look good tonight

It's one on one tonight, tonightGirl if it's alright

My baby's stressin' me

You need to come with me

We need to go somewhere, yeah

Tonight, tonightGirl if it's alright

Let's go somewhere and get it on tonight You shouldn't have to be alone tonight It's one on one tonight, tonight
