

Love Is Just Around the Corner

Frank Sinatra

Beautiful miracle, pardon my lyrical rhapsody
But can't you see, you've captured me
Being so glamorous, can't you be amorous just with me?
Make it soon, take a look at the moon
Love is just around the corner, any cozy little corner
Love is just around the corner when I'm around you
I'm a sentimental mourner and I couldn't be a loner
When you keep me in a corner just waiting for you
Venus de Milo was noted for her charms
But strictly between us, you're outer than Venus
And what's more you got arms
So cuddle in a corner, any cozy corner
Love is just around the corner and I'm around you
