

# Sold On You

## Firefall

Well it's the things I do  
It's the way I see  
Ain't nothin' done for you  
Ain't nothin' wrong with me  
Keepin' it all alive You're always there to hold on to  
Baby, I'm sold on you I've written worried songs  
I've been hurried along  
Takin' all the wrong ways home  
There's always an encouraged tone  
Keepin' it clear of jive You're always there to hold on to  
Baby, I'm sold on you What does it mean to me, it's like a dream to me  
What does it seem to be, it could be anything  
Try to forget the pain  
What is it gonna bring  
Could it be anything wrong I been sold on you  
An' nothin' been told on you  
You're always there to hold on to  
Baby, I'm sold on you I been sold on you  
Baby, I'm sold on you
