Close

Aaron Lines

Across the miles, it's funny to me
How far away you are but how near you seem to be
I could talk all night just to hear you breathe
I could spend my life just living this dream
You're all I'll ever need'Cause you give me strength, you give me hope
You give me someone to love, someone to hold
When I'm in your arms I need you to know
I've never been, I've never been this closeWith all the loves I used to know
I kept my distance yeah, I never let go
But in your arms I know I'm safe
'Cause I've never been held and I've never been kissed in this way
Yeah, you're all I'll ever need, you're all I'll ever needYou give me strength, you give me hope
You give me someone to love, someone to hold
When I'm in your arms I need you to know
I've never been, I've never been this
Close enough to see it's true, close enough to trust in you
Closer now than any words can say, yeah yeah
(Say)And when I'm in your arms, need you to know
I've never been, I've never been this close(You give me strength, you give me hope)
You give me strength, you give me hope
(You give me)
Oh someone to love, someone to hold
(When I'm in your arms, need you to know)
When I'm in your arms, oh I need you baby
(I've never been, I've never been)
Darling, I swear I've never been, I've never been this close
