

Working Man

Rush

I get up at seven, yeah
And I go to work at nine
I got no time for livin'
Yes, I'm workin' all the timeIt seems to me I could live my life
A lot better than I think I am
I guess that's why they call me
They call me the working manThey call me the working man
I guess that's what I amI get home at five o'clock
And I take myself out a nice, cold beer
Always seem to be wonderin'
Why there's nothin' goin' down hereIt seems to me I could live my life
A lot better than I think I am
I guess that's why they call me
The working manWell, they call me the working man
I guess that's what I amWell, they call me the working man
I guess that's what I amI get up at seven, yeah
And I go to work at nine
I got no time for livin'
Yes, I'm workin' all the timeIt seems to me I could live my life
A lot better than I think I am
I guess that's why they call me
They call me the working manWell, they call me the working man
I guess that's what I amThey call me the working man
I guess that's what I am
