

Deeper Deeper

ONE OK ROCK

Another step up
It's takin' takin' takin' takin' long
Always digging
It's gettin' getting' getting' get it on
Wherever you stand just start to walk
Everywhere you go goes round and round
It's coming back to what I know The deep deep deeper we go
Feeling alone, but it's oh so simple
Let it go
Dim dim dim the light's low
But not blind, I can see the symbol
Let it show
Mighty story
Don't hide it from me
Itsudatte hito wa mayou n'datte
Kidzuichattatte shiranpuri shite iyou
Soshite Good Good Days Bokura wa umarete kara so ooku manabi
Shini chikadzuku ni tsurete ooku o wasure
Kidzuita toki nya mou hai ni natte
Ikita akashi o nokoshite oku ni wa mono janakute "Dare ka no kioku ni nokoru you na jinsei o
osusumeshimasu" The deep deep deeper we go
Feeling alone, but it's oh so simple
Let it go
Dim dim dim the light's low
But not blind, I can see the symbol
Let it show
Mighty story
Don't hide it from me
Itsudatte hito wa mayou n'datte
Kidzuichattatte shiranpuri shite iyou
Soshite Good Good Days Monogoto wa so donna toki datte
