

Glassy Blue

Hammock

Lose myself
In glassy blue
No one else
Just me and you
Stars are out
Beautiful
We're beautiful
TONIGHT
Lose myself
In glassy blue
No one else
Just me and you
Stars are out
Beautiful
We're beautiful
TONIGHTLose myself
In glassy blue
No one else
Just me and you
Stars are out
Beautiful
We're beautiful
TONIGHT
Life
Flies by
We die
Time
Takes time
Make time
Life
Flies by
Take time
