

# It Is You (I Have Loved)

## Shrek Soundtrack Tribute Band

There is something that I see  
In the way you look at me  
    There's a smile  
There's a truth in your eyes  
    But an unexpected way  
    On this unexpected day  
Could it mean this is where I belong  
    It is you I have loved all along  
    There's no more mystery  
    It is finally clear to me  
    You're the home  
    My heart searched for so long  
And it is you I have loved all along  
    There were times I ran to hide  
    Afraid to show the other side  
    Alone in the night without you  
But now I know just who you are  
    And I know you hold my heart  
    Finally this is where I belong  
    It is you I have loved all along  
    There's no more mystery  
    It is finally clear to me  
    You're the home  
    My heart searched for so long  
    And it is you I have loved all along  
Over and over, I'm filled with emotion  
    Your love, it rushes through my veins  
And I am filled with the sweetest devotion  
    As I, I look into your perfect face  
    There's no more mystery  
    It is finally clear to me  
    You're the home  
    My heart searched for so long  
    And it is you I have loved  
    It is you I have loved  
    It is you I have loved all along
