Where The Wild Things Are

Deep Puddle Dynamics

Dirty Bass
Dirty Bass
Dirty Bass
(Chorus)
I got my rapper shades on
Pretty girls everywhere
Tonight I'm making you mine
When can we get up out of here
Wile out
Get moving
To my ladies on this mother
Wile out
Get moving
(Verse)
Ye, get wild girl
Say aah, let me get inside girl
Take a puff get in my world
Bring a home girl if you got a swirl
We has lease
VIP stays full of trees
If a girl shows skin, gets drinks for free
Goose on ice same time on me
(Chorus)
I got my rapper shades on
Pretty girls everywhere
Tonight I'm making you mine
When can we get up out of here
Tonight I'm where the wild things are
Get wild
Wiling out to where the wild things are
Yeah I'm a wild thing
I'm wilder then the wild things are
Get wild
Every night I'm where the wild things are
Wild things are
Wile out
Get wild
To my ladies on this mother
Wile out

Get wild
Get-get-get wild
(Verse)

Check it out yo
I met a girl named Jane
Tail so fat it was hard to tame
Clubs so packed it was hard to aim
But I got wild game urangutan
Urangutan
Yeah on the prowl
Far East Movement run the wild
Let me XO where the charity stops
Say oh, let me hear you growl
(Chorus)
I got my rapper shades on
Pretty girls everywhere
Tonight I'm making you mine
When can we get up out of here
Tonight I'm where the wild things are
Get wild
Wiling out to where the wild things are
Yeah I'm a wild thing
I'm wilder then the wild things are
Get wild
Every night I'm where the wild things are
Wild the wild things are
(Bridge)
If you a wild thing
Let me break you off
Get your hands up
'Cause I'm looking for a freak to call
If you a wild thing
Let me break you off
Get your hands up
'Cause I'm looking for a freak to call
Wile out
Wile out
(Outro)
Tonight I'm where the wild things are
Wiling out to where the wild things are
I'm wilder then the wild things are
Every night I'm where the wild things are
Wild things are
Wile out

Get wild
Get wild
