Saturday Night's Alright (For Fighting)

Nickelback

It's getting late I haven't seen my date
So tell me when the boys get here
It's seven o'clock and I want to rock
Want to get a belly full of beerMy old man's drunker than a bar full of winos
And his old lady she don't care
My sisters lookin' cute in her braces and boots
And a handful of grease in her hairOh don't give us none of your aggravation
We had it with your discipline
Saturday night's alright for fighting
Get a little action inGet about as oiled as a diesel train
Gonna set this town alight
Saturday night's the night I like
Saturday night's alright alright alright, oh oh ohP-p-p-p-packed pretty tight in here tonight
I'm looking for a woman to treat me right
I could use a little muscle to get what I need
I'll drink a fifth of jack and scream out, "She's with me"A couple of the sounds that I really like
Are the sounds of a switchblade and a motorbike
And I'm a juvenile product of the working class
Whose best friend floats from the bottom of a glassDon't give us none of your aggravation
We had it with your discipline
Saturday night's alright for fighting
Get a little action inGet about as oiled as a diesel train
Gonna set this town alight
Saturday night's the night I like
Saturday night's alright alright alright, oh oh ohOh don't give us none of your aggravation
We had it with your discipline
Saturday night's alright for fighting
Get a little action inGet about as oiled as a diesel train
Gonna set this town alight
Saturday night's the night I like
Saturday night's alrightOoh Saturday, Saturday, Saturday
Saturday, Saturday, Saturday
Saturday, Saturday, Saturday night's alrightOoh Saturday, Saturday, Saturday
Saturday, Saturday, Saturday
Saturday, Saturday, Saturday night's alrightOoh Saturday, Saturday, Saturday
Saturday, Saturday, Saturday
Saturday, Saturday, Saturday night's alright
