Soldier of Fortune

Bryan Ferry

Iâ€™m a soldier of fortune
An ambassador of pain
I had the world on a string
Then I threw it all away

Iâ€™m a prince of illusions
All spinning around in my brain
Thereâ€™s a mockingbird calling
And this is what heâ€™s saying

Girl stop rockinâ€™
Youâ€™re driving me insane
Iâ€™m going out of my mind
And I wonâ€™t be back again

I was driving down the street
And I saw you in the rain
Now itâ€™s breaking my heart
And I want you back again

I was stirred and shaken
Had a miracle in mind
In the heat of the night
I left it all behind

Girl stop rockinâ€™
Youâ€™re driving me insane
Iâ€™m going out of my mind
And I wonâ€™t be back again

Iâ€™m a soldier of fortune
An ambassador of pain
I had the world on a string
And I threw it all away

Girl stop rockinâ€™
Youâ€™re driving me insane
Iâ€™m going out of my mind
And I wonâ€™t be back again

Girl stop rockinâ€™
Youâ€™re driving me insane
Iâ€™m going out of my mind
And I wonâ€™t be back again

Girl stop rockinâ€™
Youâ€™re driving me insane
Iâ€™m going out of my mind
And I wonâ€™t be back again

I won't be back again
