

Still Madly Crazy

Robin Thicke

What can I say
Oh what can I do
When I'm crazy, so crazy for you
And I try not to show it
And I can't control it
I'm still madly crazy for you
See the birds fly
See the blue sky
See the best times of my life
Watch me crawl, watch me beg
Watch me fall deep
Cause I, I just can't stop
I just can't stop thinking 'bout those days
Under sunshine too much wine
Laying in the grass, you were all mine
So be just like heaven
Oh what I expect
Heaven will be
Soaked up in love baby
Just you and me
What can I say
Oh what can I do
I'm crazy, so crazy for you
I try not to show it
I just can't control it
I'm still madly crazy for you
Every night you'd close your eyes on my chest
It's like it's home
And you say, "until that happen you just can't fall asleep"
"without you laying your head on me"
But I was In chains in the rain
Lost my soul, now you know
I'm so sorry you had to suffer my lack of self-control
You think by know I might've grown
What can I say
Oh what can I do
I'm crazy, so crazy for you
I try not to show it
But my heart can't control it
I'm still madly crazy for you
