

When The Stars Go Blue

[Tyler Hilton](#)

Dancin' where the stars go blue
Dancin' where the evening fell
Dancin' in my wooden shoes
In a wedding gownDancin' out on 7th street
Dancin' through the underground
Dancin' little marionette
Are you happy now?Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely, I'll follow you
When the stars go blue
When the stars go blue
BlueLaughing with your pretty mouth (Laughing with your pretty mouth)
Laughing with your broken eyes (Laughing with your broken eyes)
Laughing with your lover's song
In a lullabyWhere do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely, I'll follow youWhere do you go when you're lonely
Where do you go where you're blue
Where do you go when you're lonely I'll follow you
Follow youYeah yeah, when the stars go blue
When the stars go blue
When the stars go blue
When the stars go blueWhere do you go when you're lonely
Where do you go when the stars go blue
