

# Bang and Blame (w/o Between Track Noise)

R.E.M.

If you could see yourself now, baby  
It's not my fault you used to be, so in control  
You're going to roll right over this one  
Just roll me over, let me go, you're laying blame  
Take this as no, no, no, no, no, you[Chorus]  
Bang, bang, bang, bang, bang  
Then blame, blame, blame  
Bang, bang, bang, bang, bang  
It's not my thing, so let it go If you could see yourself now, baby  
The tables have turned, the whole world hinges  
On your swings your secret life  
Of indiscreet discretion's  
I turn the screw and leave the screen  
Don't point your finger  
You know that's not, my thing you came to[Chorus] You've got a little worry, I know it all too well  
I've got your number but so does, every kiss-and-tell  
Who dares to cross your threshold  
Or happens on your way, stop laying blame  
You know that's not my thing, ooh-ooh  
You know that's not my thing, you came to[Chorus] You kiss on me, tug on me, rub on me, jump on me  
You bang on me, beat on me, hit on me  
Let go of me, ooh, you let go on me, ooh-ooh, ooh-ooh
