

Love in This Club

The Baseballs

I wanna make love in this club, in this club, in this club
I wanna make love in this club

You say you searching for somebody
That'll take you out and do you right (do you right, do you right)
Well, come here, baby
And let daddy show you what it feel like (feel like, feel like)

You know all you gotta do is
Tell me what you sippin' on (sippin' on, sippin' on)
Well I promise that I'm gonna keep it comin'
All night long (all night, all night long)

Lookin' in your eyes while you on the other side
And I think that shorty I've got a thing for you
Doin' it on purpose, windin' and workin' it
I can tell by the way you lookin' at me, girl

I wanna make love in this club, in this club, in this club
I wanna make love in this club, in this club, in this club
I wanna make love in this club, in this club, in this club

Listen, you got some friends rollin' with you
Baby, then that's cool, (that's cool, that's cool) yeah
You can leave em with my buddies
Let 'em know that I got you (got you, got you)

If you didn't know
You're the only thing that's on my mind (my mind, my mind)
'Cause the way I'm starin' at you
Got me wanna giving to you all night (all night, all night)

Lookin' in your eyes while you on the other side
I can't take it no more
Baby, I'm comin' for you
You keep doin' it on purpose windin' and workin' it
If we close our eyes it could be just me and you

I wanna make love in this club, in this club, in this club
I wanna make love in this club, in this club, in this club

I wanna make love in this club, in this club, in this club

Woo

In this club ah oh, in this club oh yeah, I wanna make love

Might as well give me a kiss
If we keep touchin' like this
I know you scared baby
They don't know what we doin'

Let's both get undressed right here
Keep it up girl then I swear
I'mma give it to you non stop
And I don't care who's watchin'
Who's watchin', who's watchin', ah oh
Who's watchin', who's watchin'
Who's watchin'

I wanna make love

I wanna make love in this club, in this club, in this club
I wanna make love in this club, in this club, in this club
I wanna make love in this club, in this club, in this club (oh yeah, oh yeah)

I wanna make love in this club all right
In this club ah oh, in this club oh yeah
I wanna make love, yeah
