

# Christmastime

## Arrogant Worms

It's the festive season  
There's singing and shopping and joy  
Santa's talking to children  
The elves are wrapping toys  
The season's one of charity  
Of peace for all you've met  
But though I should be of giving right now  
I just want to get  
It's Christmastime and times are tough  
It's Christmastime, and we ain't got enough  
Hey Mr. Santa Claus, I believe in you because  
Last year all my parents got me was a trip to Mississauga  
It's Christmastime, I'm looking for a lot of stuff  
My brother wants a computer  
Sister wants a dolly  
Mom wants a brand new bathtub  
And Dad just wants alcohol  
He spent last Christmas wasted  
Crawling along on his knees  
Eating turkey that fell on the floor  
And watering our Christmas tree  
It's Christmastime and times are tough  
It's Christmastime, and we ain't got enough  
Hey Mr. Santa Claus, I believe in you because  
You've got more credibility than any doctor, cop, or lawyer  
It's Christmastime, I'm looking for a lot of stuff  
I'd like a new guitar  
Andy wants a radar detector  
Trevor wants 13 kittens  
And Chris wants a date with Shania  
We compared all our Christmas lists  
And only one thing overlapped  
We would all be happiest if  
Everyone bought our crap  
It's Christmastime and times are tough  
It's Christmastime, and we ain't got enough  
Hey Mr. Santa Claus, we believe in you because  
If we count on our so-called friends  
Our Christmas stockings will be empty  
It's Christmastime, we're looking for a lot of stuff  
It's Christmastime, we're looking for a lot of stuff
